Small Creatures, Extraordinary Worlds

Holy Trinity C of E Primary School | Useful websites

Year 5 | Scan and explore

Use a phone or tablet camera to scan a QR code. Explore with a teacher or parent.

Meet the minibeasts

National Geographic Kids: Bug facts

Discover insect facts. Look at body features and discuss how minibeasts survive in their habitats.

Minibeast detectives

Woodland Trust: Minibeast hunt

Find tips for exploring microhabitats. Hunt with an adult, observe gently and return creatures where found.

Life cycles

National Geographic Kids: Butterflies

Follow a butterfly from egg to caterpillar, pupa and adult. Explain how its body changes.

Make a microhabitat

RHS: Make a bug hotel

Explore how to create shelter from different materials. Ask an adult to help choose a site and build safely.

Flowers and seeds

RHS: What is a flower?

Investigate flower parts, pollination and seed production. Explore this school resource with an adult.

Rare creatures

San Diego Zoo: Lord Howe stick insect

Discover an unusual insect, its habitat and conservation. Read together and locate Lord Howe Island on a map.

Scan on screen or from a printed copy. You can also click each QR code in the PDF.
