----------	--------------

Musical Terms

Beat/ Pulse	The steady pulse that keeps going through a piece of music like a clock.
Rhythm	Patterns of long and short sounds used in music.
Tempo	How fast or slow the music is. The tempo can change during a piece of music.
Dynamics	How loud or quiet music sounds. Dynamics can change during a piece of music.
Texture	Sections where there are fewer performers and sections where there are more performers.
Pitch	How high or low a note sounds.

Gigglebox!

This half term will be working towards our Year 6 performance. We will be:

- Discussing ways that make performances successful
- Learning the songs, including harmonies
- Practising the songs as they fit into the script
- Learning how to project our voices
- Understanding that we all have a role to play whether we are on the stage or not, eg. Lights, tech operators, costume designers, actors.

Instruments

Chanters	Drum Sticks
----------	-------------

Year 6 Summer 2

Lights, Camera, Action!

Save the date: Monday 29th June 4.30pm – The Gordon's Summer Arts Evening. All of you are welcome to perform on the chanter! Then the choir will perform at 4.40pm.
