discounted tickets

Friday 10th July

HTSA School Disco

Welcome to our May newsletter

Dear Parents,

This month we have been so grateful to the individuals and companies that have enabled us to continue to improve the provisions for our pupils. Thank you to Jack Ewing from CPL Renovations for removing the sections of our Spiders Web play equipment that was no longer usable. Nursery now have an area they can use for den building and creative play. Thank you to Chandlers Building Supplies in West End for supplying sand for our four sandpits at a greatly reduced rate and to Simon Meaney MTD Construction and his team for getting the sand safely into the sand pits. The HTSA continue to do amazing work behind the scenes too, organising amazing fund raising events such as the May Fair as well as sourcing money through grants. Our pond area is in the process of being improved and we are hoping to get some new additions to our OPAL play provision too. Schools continue to suffer from financial shortages and none of these projects could take place without the help and support of these people. We are very grateful.

This month we have celebrated Mental Health Awareness Week. The focus for this year was *Action* and the children learnt about mental health and how we can improve our mental health by taking action. Action includes being kind to others and ourselves, sleeping well, taking exercise and spending time with others doing something we enjoy. What action could you and your children take?

We have some staffing changes taking place this year. Mrs. Blows will be leaving us in July to take up a post in Thailand. Mrs. Blows has been a hugely positive addition to our teaching team and will be greatly missed. Mr. Saunders will also be leaving us to take up a job in another school from September. He has worked at Holy Trinity for over 8 years and has played a huge role in giving our Reception pupils the very best possible start to school life. We wish them both the very best.

Just a reminder that children should not be bringing toys into school unless the teacher has requested it as part of their learning. Some of our pupils have fidget toys as part of their learning provision and this has been agreed with class teacher and SENCo in advance. We have given pupils from Years 2 upwards the permission to bring diabolos into school for playtimes as we have seen the children engaging in really purposeful and interactive play with these. Otherwise please keep toys at home so they are not a distraction and are not at risk of getting lost or damaged. Wishing you and your family a fantastic half term break, one which looks like it is going to be a sunny and warm one too!

Warm regards,
Mrs. Ambrose

Some of our May WOW moments ...

Reception
trip to
Windsor

Reception had a wonderful time on their very first school trip to Windsor Castle! The children took part in an exciting learning session, where some children were able to dress up as people who may work in the castle. We also enjoyed spotting many of the castle features we have been learning about in class. A huge thank you to our parent helpers for giving their time to make this trip possible.

More May WOW moments ...

Forest School

Thanks to the kind donation from one of our families, our Forest School classroom now has its very own mud kitchen. Last week the children enjoyed making birthday cakes for Sir David Attenborough.

Year 6 SATs

Year 6 marked the end of their SATs in style with a fantastic day of Taskmaster-inspired activities, filled with creativity, teamwork, and plenty of laughter. The children threw themselves into the challenges and enjoyed celebrating together after a hard week of tests. The day was rounded off with a delicious BBQ lunch, making it a well-earned and memorable occasion. Well done to all of Year 6 for their resilience and effort throughout the week—we are incredibly proud of you!

A huge thank you to the parents who helped at the BBQ - we couldn't have done it without you.

HTSA May Fair

The HTSA May Fair was a huge success last weekend. Thank you to everyone who donated items on mufti days, volunteered on the day and to the HTSA committee who organised and ran the event. Thankfully the weather stayed dry for most of the afternoon and visitors were able to enjoy the singing from the school choir and maypole dancing as well as a live band performing. We hope this event has raised much needed funds for school improvements. We will let you know!

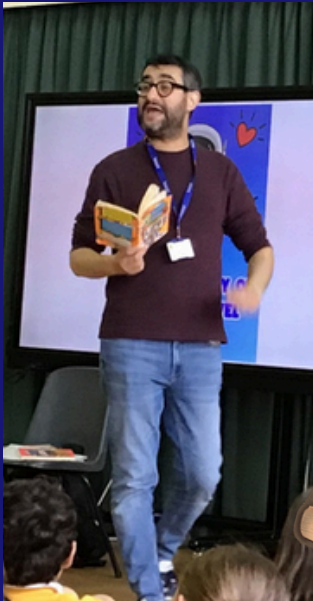

More May WOW moments ...

Poetry Week at Holy Trinity

We were delighted to welcome visiting poet Joshua Siegal, who captivated our pupils with a wonderfully entertaining and inspiring session. Sharing a range of his poems—from thoughtful verses to delightfully silly ones—he encouraged everyone to explore their creativity and see themselves as poets. His engaging and energetic delivery had the children laughing, listening, and eager to join in, creating a real buzz across the school. It was a truly memorable experience, enjoyed not only by the pupils but by staff as well, leaving us all inspired to play with words and express ourselves through poetry.

A huge thank you to everyone who took part in our Reading Ramble on the 25th April—it was a fantastic day enjoyed by all! We are thrilled to have raised over £1,750, which has contributed towards our recent poet visit from Joshua Siegal. In addition, the funds will enable our Reading Ambassadors to purchase new books for the library, carefully chosen to suit their classes. As a result of the event being shared on social media we also received a generous donation from a local resident in West End. How amazing to have the support of our neighbours in the village too!

We really appreciate the support and enthusiasm from our school and wider community—thank you for helping make such a positive difference.

Thank you to Mrs. Brabon and Mrs. Everett for organising this event - all the children will benefit from the proceeds; being inspired by Joshua Siegal and enjoying the new books which will join our school library.

COULD YOUR WORKPLACE HELP SUPPORT OUR SCHOOL?

Many companies, large and small, offer funding or support for local community groups, and your workplace may be one of them. As we continue to enhance the learning experience for every child at Holy Trinity, we are asking parents and carers to help us explore any opportunities available through your employers.

Corporate support can include community grants, employee nominated funding schemes, match funding for school events, or in-kind donations such as equipment and professional skills. Accessing these opportunities could help the HTSA and school progress key projects, including improving IT equipment, expanding library resources, enhancing outdoor play, updating sports equipment, and providing classroom essentials.

Does your company also offer staff any volunteering days? Many workplaces allow staff to volunteer at community and charity events and claim the hours back. If you can use a volunteering day to support one of the HTSA's upcoming events, we'd be incredibly grateful. The HTSA is registered charity and can provide the relevant details if your employer requests this.

If your employer offers any type of funding, sponsorship, or volunteering scheme, or if you're simply willing to ask, we would be delighted to hear from you. Even small contributions can make a big difference to our children's daily experiences!

If you'd like to hear more about our HTSA Fundraising Team, or consider joining us in supporting our school, we'd love to hear from you. There's no commitment required, and any level of involvement is welcome!

Please contact holytrinityschoolassociation@gmail.com or contact your class rep for more information.

Thank you for helping Holy Trinity thrive.

INFORMATION EVENT

Considering a career in teaching?

Would you like to train in a school in your local community?
Come and chat with a member of our friendly South Farnham
SCITT team and find out if teacher training is the career for you.

 South Farnham SCITT office, GU9 8DY

 Saturday, 6th June 2026

 10am to 12pm

 Booking required
