

A Bug's World

Year 2 Knowledge Organiser

Holy Trinity C of E
Primary School

USEFUL WEBSITES & HOME LEARNING

Click the blue resource titles to open each website. Explore together with an adult.

MEET THE MINIBEASTS

[National Geographic Kids - Insects](#)

Explore insect photographs and facts, including ladybirds, ants and butterflies.

HABITATS & MICROHABITATS

[Woodland Trust - Minibeast Hunt](#)

Find out where to look for minibeasts and investigate the small habitats around them.

BUSY HONEY BEES

[National Geographic Kids - Honey Bees](#)

Learn about pollination, honey, life in a hive and the different jobs of honey bees.

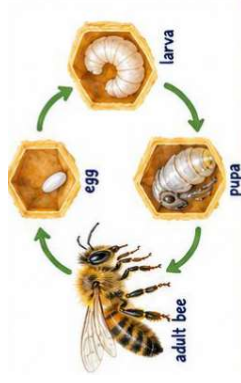

WHO EATS WHAT?

[Oak National Academy - Food Chains](#)

A Year 2 lesson exploring simple food chains. Use with a teacher or parent.

LIFE CYCLES

[National Geographic Kids - Butterfly Life Cycle](#)

Follow egg, caterpillar, pupa and butterfly. Compare these stages with a honey bee.

HELP OUR MINIBEASTS

[RHS - Make a Bug Hotel](#)

Build a shelter with an adult. Which materials will provide suitable hiding places?

I WONDER...

Which minibeasts live under a log? Why do bees visit flowers? Who might eat a caterpillar?

Handle minibeasts carefully and return them where you found them.
