Top Tips for Teachers

- Use the time you have travelling to and from the pool to discuss water safety. Find resources from Swim England in the resource bank to support this.
- It is recommended that all pupils wear swimming hats. Goggles are recommended for KS2.
- Have a range of buoyancy equipment available for less confident swimmers such as arm discs, swim belts and noodles.
- The Get Set 4 PE swimming plans are written for group sizes of 12. These can be taught for more or less pupils but you will need to be mindful of the equipment required and ratios of adults to pupils.
- The Year 1/2 SOW is written for beginner swimmers, the Y3/4 SOW is written for developing swimmers and the Y5/6 SOW is written for intermediate swimmers.
- When selecting lesson plans to teach, consider the level of your swimmers not necessarily the age.
- Always check the safety and pool guidelines of the facility you use before teaching.
